**We just don't Teach ...
We Inspire !**

THE SCHOOL

The School, blossomed in 1978, under the patronage of Blessed Virgin Mary, Preshita Province, Coimbatore with its insight, expertise and commitment for excellence inherited from St. Cyriac Elias Chavara, the founder who has left an indelible imprint in the arena of education, sports and culture.

ACADEMICS

The students, powered by a team of well trained & efficient teaching faculty, specialized in all subjects impart Quality Education. Well stocked library, spacious & equipped Science Labs, Computer Lab, Audio visual room and Smart classes ensure the students, to expertise in various fields of study.

SCHOOL MOTTO

To empower the students with value added education, thus moulding them to dream even higher and making them totally equipped, to effectively contribute to the society.

YOUTH FESTIVAL

Regular participation of our students at the Youth Festivals brings laurels and accolades every year. This legacy in fine arts has been followed till date.

VISION & MISSION

To achieve the formation of a whole student, rather than merely providing them with information and technical skills. Our Mission is to ensure that every student has an opportunity to maximise their creativity level through academics and non academic excellence.

CO-CURRICULAR

Students are trained in various fields of recreational activities like Yoga, Music & Instruments, Dance, Art & Craft, Aerobics, Karate, Scouts, Nature Clubs, Abacus and Calligraphy. Regular classes are conducted and these activities boost the physical and mental development of the students.

SPORTS & GAMES

Various Sports facilities here include Basketball, Football, Tennis, Table Tennis, Cricket, Kho-Kho, Shuttle Badminton, Skating & Chess. Regular guidance by experienced coaches, help the students to participate in inter-school tournaments and matches. Annual sports day is celebrated every year.

SOCIAL AWARENESS

Social awareness is a part of the curriculum. Here they develop their perspective to empathize with others, understand social & ethical norms, sense of belonging and social welfare. It also helps them to recognize their family, school, community resources and supports.

STUDY TOURS

Students in their leisure, visit and explore tourist / historic places throughout the country, which widens their horizon of thoughts and personal insights.

TRANSPORTATION

Well-maintained & modern fleet of spacious buses which meet the transport rules, along with a team of trained drivers & attenders, commute our students in and around Palakkad.

TALENT SEARCH

Talent search at school, offers an excellent opportunity to the students here, promoting self learning, simultaneously judging and developing their analytical ability with logical thinking. It churns out the intellectual potentials within themselves.

ADMISSIONS

Students are admitted to all classes purely on merit through an entrance exam. The eligible students are informed after a thorough selection process. At the time of admission, documents such as Birth Certificate, Mark Records and Transfer Certificate must be produced.
